

AK320 by Astell & Kern
 The big daddy of hi-res music players. Fitted with an oscillator to reduce judder, the AK320 delivers one of the best sounds on test; the relative beige of MP3s is hard to go back to. The angled styling, and the price, won't be for everyone though.
 £1,499. astellinkern.com
Win: Brilliant sound.
Fail: Eye-watering price; odd design.
 ★★★★★★☆☆
