

UPGRADE EDITION E5

**MORE FASHIONABLE
SMALLER
BETTER SOUND QUALITY
MORE FEATURES**

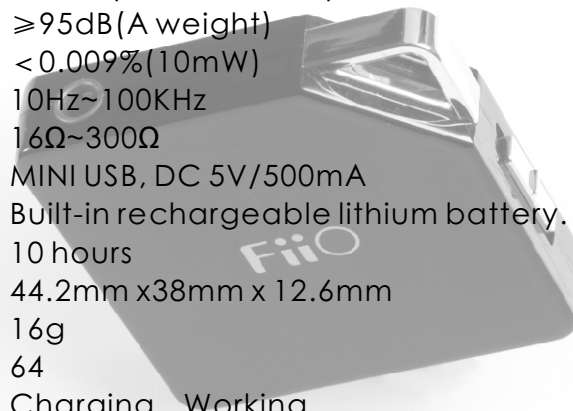

THIS IS **E6**

With brand new design-- E6, sound quality has been improved, built-in three different EQ with color indicator light, redesigned volume key will be larger and more comfortable, add HOLE key to prevent the volume of misuse ,and the removable clip increase the use of randomness.Now, smaller and lighter than E5, E6 is a good partner in the outdoc and then we can enjoy music anywhere.
