# RAGE ST

ADVANCED GAMING HEADSET

AVAILABLE IN  
VARIOUS  
COLORS

**Rage ST** has come to exceed your expectations about stereo headphones. A stunning and exclusive design combined with awesome ergonomics that will make you feel comfortable in every situation even after hours of use.

Want it to be personal? Then choose among the five different looks.

Featuring a premium stereo sound specifically optimized for gaming but with a great performance for music and movies. Thanks to its detachable microphone you can take the look out to the streets using it with your phone or any other audio device.

Light weight: Comfort is a top priority when you use your headphones for long gaming sessions, and this is where the **Rage ST/WT** lightweight design comes into play. Even after hours of continuous use, RAGE won't start to feel heavy.

# RAGE ST

ADVANCED GAMING HEADSET

## HOT FEATURES

### CLEVER ERGONOMIC DESIGN

Thanks to its clever ergonomics you're likely to forget you're wearing a headset at all and you'll get a reduced background noise. Even after hours of continuous use, **Rage ST** won't start to feel heavy.

### XL CLOTH PADDED EAR CUSHIONS

**Rage ST** ear cups are covered with an advanced micro-texture cloth for a comfortable fit during long gaming sessions.

### MORE THAN GAMING

Use your **Rage ST** with your MP3 player, iPhone or digital device.

### PREMIUM SOUND

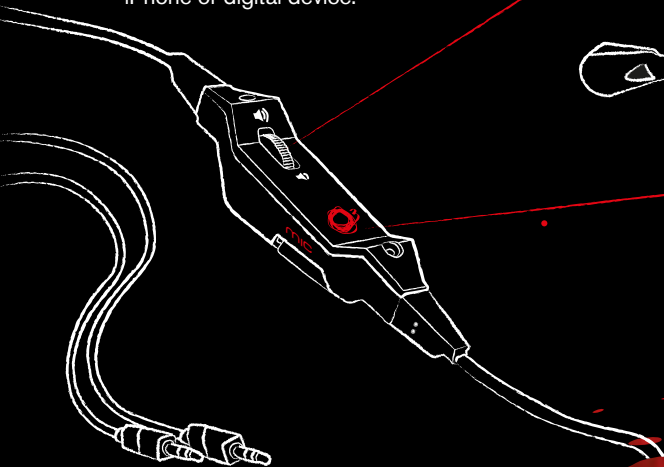

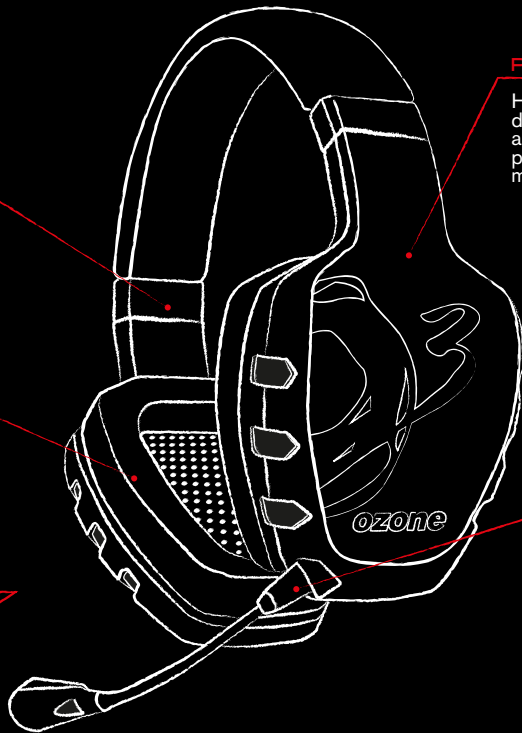

High quality stereo headset developed for gaming, but also with a great performance for music and movies.

### DETACHABLE MIC

Flexible and detachable microphone with advanced noise canceling technology that ensures clean chat conversations.

### INLINE REMOTE CONTROL

Adjust the sound and microphone settings on-the-fly with the **Rage ST** inline remote controller. Built with an advanced ergonomic design for a comfortable grip.
